Dear Parent/ Carer

Re: Communications from the School

As you know we try very hard to keep parents regularly informed about what's going on at the school, however, sending paper letters home can be rather 'hit and miss' with letters often going astray along the way.

We are also increasingly aware of the substantial cost, time and environmental impact associated with the amount of paper and photocopying involved with this.

To help make improvements in these areas we have decided to use an email service which is linked to our current school MIS system.

Receiving email instead of paper letters will be beneficial to you because:

- Messages will get to you reliably
- We can send messages directly to both parents/ carers at the same time
- You will quickly know about important or urgent messages
- We can tell you more about what's going on at the school

To use the email we need to collect your email addresses and ensure mobile numbers are up-to-date. Please complete the attached form and return it to us by 01/12/2017.

Important – When we start using Bromcom email, messages will be sent from leasoweshighschool@bromcomcloud.com Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.

Yours sincerely

Mr M Mynott
Head Teacher
